

## The New NMEH

- NMEH has chosen IBM's SmartCloud as its collaboration portal.
- Easy to Join, Easy to Use
- Sub-workgroups are now called communities.
- Sub-workgroup chairs are now community owners.

**NMEH HAS BEEN ENCOURAGING STATE COLLABORATION SINCE EARLY 2000.**

*Our Mission is to provide a collaborative venue by which people can work together, share ideas and information to solve problems for State Medicaid Agencies*

## Questions?

## NMEH's Current Communities (aka workgroups):

## NMEH's Members Include:

### Why Join a Community?

- Joining a community or starting a community of your own creates a panel of experts.
- You can post questions in a forum, share community files and resources, follow experts in your community.
- Post a status or question about what you're doing.
- Posting a status makes your work visible to others and helps other solve problems.
- Begin collaborating and knowledge sharing by sharing files publicly or privately.
- Create an activity to identify goals, brainstorm ideas.
- Invite a person to your network. You'll be able to share full profile information and communities of interest.

### How to Join:

- State Employees
- Vendors
- Consultants
- Centers for Medicare and Medicaid Services (CMS) Employees
- Other Interested Parties

- Go to: <https://nmehub.com>
- Request a User Account - by clicking on Contact Us
- Create a profile so people can find you.

### Once you've started, you can:

- Share updates and follow people and content
- Network with other NMEH members
- Create to do items and manage tasks
- Share files and collaborate from anywhere
